

To renew your membership or to join Worlington Riding Club for 2024 please do so through the British Riding Club portal at <https://britishridingclubs.sport80.com>.

Your membership will need to have been renewed before you can take part in any further activity as a Worlington Riding Club member.

The cost for 2024 will be £29 which covers the £24 affiliation fee to BRC's. There will also be a small additional administration fee to pay. Your membership will be for 1 calendar year and your BRC membership number will remain the same going forward as long as your membership remains current. You will no longer have a separate club membership number.

Junior members that turn 18 during the membership year will remain as juniors until their next renewal date.

Please find below some user guides that may help you but if your details are not correct in the portal then you will need assistance from BRC to gain access to your membership
